## **XTRA LEASE TRAILERS DELIVER MORE VALUE FOR YOUR MONEY.**

You make a lot of tough decisions. But your biggest challenge is likely how to do more with less. Win customers, increase efficiency, build profit—all in less time and with less money. It'd be nice to get more than what you pay for.

*You do, when you get trailers from XTRA Lease.*

# Drive Profits

Efficiency hinges on trailer management. You need to deliver loads on time and on budget. Renting or leasing from XTRA Lease reduces uncertainty and unexpected costs.

---

## BOOST FUEL ECONOMY

XTRA Lease leads the way with the latest fuel-saving technology. You can save 6.5% in fuel costs\* with our trailer skirts and low rolling-resistance tires, standard on all newer models.

---

## OPTIMIZE DRIVER HOURS

Our trailers are spec'ed with heavy-use floors, high-integrity tires, extended-life brakes and heavy-duty lights, to perform under harsh conditions. These specs and diligent maintenance mean your shipment is unlikely to take unscheduled “rest” stops.

---

## MEET REGULATIONS

Rest assured that any XTRA Lease trailer will meet or exceed industry regulations. The majority of our dry vans and reefers are CARB-compliant. And our fleet—the youngest in the industry—can reduce CSA issues. So you don't get unpleasant surprises in the form of fines or downtime.

---

## INCREASE TRAILER UTILIZATION

Free trailer tracking is standard on dry van and reefer rentals and leases. You can keep your customers informed, find under-utilized trailers faster and protect yourself from trailer and cargo theft.

---

\*Fuel cost savings based on EPA testing.

**BETTER EFFICIENCY >** *Get well-built trailers with easy-to-use technology and roll with confidence.*

# Demand Value

Your business demands availability. With the nation's largest trailer fleet, XTRA Lease has what you need today, tomorrow and for years down the road.

## LARGEST FLEET

Choose from 80,000+ quality-built trailers to meet your short- or long-term needs. You can even find real-time availability at [xtralease.com](http://xtralease.com) for those last-minute hauls.

## YOUNGEST FLEET

XTRA Lease is committed to keeping our fleet modern. You can choose from 35,000 newer trailers that save fuel, minimize downtime, and increase compliance—plus, please your drivers.

## MOST LOCATIONS

Rent or lease from one of XTRA Lease's 50+ US locations, right where you need them. No other trailer rental company can offer this.

## UNMATCHED EXPERTISE

Excellence is built into our trailers, but it's based on our people. We are the trailer experts. Use our experience, training and knowledge of logistics to take the risk out of your next rental or lease.

**MORE AVAILABILITY >** *Get the right trailers to match your freight and the peace of mind that you made the right choice.*

# Deliver Results

Respond quickly to your customers' shifting demand with robust solutions from XTRA Lease.

## **EASY RENTALS**

Daily, weekly, or monthly plans help you meet emergencies or seasonal needs, or just try new technology without a large investment. Our experienced staff delivers fast turnaround for your drivers and eliminates the paper chase for you.

## **FLEXIBLE LEASES**

Tailored to your needs, a lease can reduce your capital expenditures and risk and help optimize your cash flow. You can even lease to buy.

## **STREAMLINED ACCOUNT MANAGEMENT**

Online rental and lease agreements, trailer licenses and registrations, and insightful report capabilities mean you can spend your valuable time putting your trailers to use instead of shuffling paper. Customizable to your needs, our online tools give you insight and help you make speedy, data-based decisions.

## **AFFORDABLE MAINTENANCE PACKAGES**

Four lease-service options and a comprehensive package for rentals take the guesswork out of trailer maintenance.

**CALL XTRA LEASE FIRST > 800-325-1453 > [xtralease.com](http://xtralease.com)**

**GREATER FLEXIBILITY >** *Get money-saving options that increase your responsiveness.*
