

# Get XTRA capacity to keep your business moving

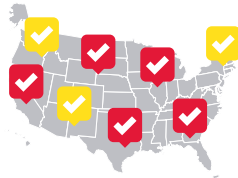

How the right trailer rental/leasing provider can deliver quality and cost LESS

## About XTRA Lease

### About 85,000 trailers

Largest rental fleet in U.S., refreshed every year. We've got you covered: dry vans, reefers, flatbeds, chassis and storage trailers.

### About 50 locations

National presence, local focus. Just call us. Quick Response is our middle name. (Not really, but we ARE enthusiastic about your business.)

### Newest fleet

Average age of OTR vans by end of 2019 -- about 4.8 years! 1,200 new flatbeds and 850 new reefers in 2019. That means quality, reliable equipment for you.

## Why XTRA Lease?

### Air disc brakes = less maintenance

Air disc brakes\* *dramatically* extend intervals between brake jobs.

### Never lose track of rental trailers

FREE trailer tracking with **cargo sensors**\*\* in near real-time -- you get the ultimate rental trailer management tool!

### Fuel-saving side skirts on 60,000+ trailers

This'll pump you up...6.5% savings in fuel costs. For some, that can be about \$87/month per trailer.\*\*\*

### XTRA Excellence = More uptime

Our 16-point standard helps you start, run and finish solid! Get reliability you can count on.

### No bills for nuisance damage

Sweep out? 12-inch cut? No charge for those and many other items on OTR trailers. It's our policy!

### Online reports = time saved

What's on rent? What's returned? Does it need a PM? Get custom reports and email alerts on your schedule!
